

HWANGE SAFARI LODGE

FACTSHEET

GENERAL HOTEL INFORMATION

Hwange Safari Lodge is located on the border of the world-renowned Hwange National Park. The lodge is only 2 hours' drive from Victoria Falls, a favourite with visitors from all over the world. Home to one of the world's largest population of the African elephant, including the presidential herd, Hwange boasts an abundance of other wildlife including buffalo, lion, leopard and a host of other species. The prolific bird life is a must see for the enthusiast with one of the world's most diverse population of raptors.

The lodge boasts 96 well-appointed rooms and caters for a diverse range of guests from the lone adventurer to couples, groups, families and tour groups. The hotel has staff with a passion for service and an intimate knowledge of their surroundings. It offers comfort, modern conveniences and an opportunity to experience the real African wild. Don't forget, a camera is a must.
